

POSTCARD EXCHANGE

OFFICIAL ANNOUNCEMENT- SUMMER 2017

In conjunction with our annual James Tenney Memorial Symposium, the New Mexico Contemporary Ensemble is excited to invite composers, writers, artists, and all creative individuals to participate in our first annual Postcard Exchange. Inspired by Tenney's "Postal Pieces", we are looking to begin informal dialogues with artists from throughout the Americas via postcards.

The rules:

All the performance instructions must fit on one standard 4" x 6" postcard.

The work can be written for any instrumentation without electronics, but utilizing instruments within our current collective roster (please visit

www.nmcontemporaryensemble.weebly.com for latest personnel) will increase the likelihood of your postcard being performed.

Solo, small ensemble and open instrumentation pieces are encouraged.

Our response:

After receiving your postcard, we will review your submission and send a postcard in reply. Our postcard may include suggestions for changes, ideas on spaces where we might perform the work, and/or a reply with the premiere date and location information.

We look forward to receiving your postcards!
